

## Ancient Greek

During this unit of work we learnt about Ancient Greek musical instruments.

We used the following web sites to help us with our research.

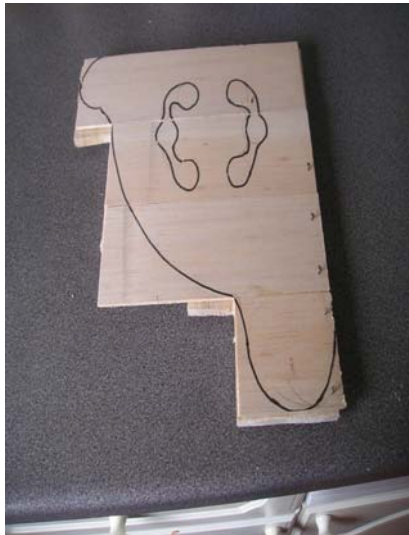

[http://homoecumenicus.com/ancient\\_instruments.htm](http://homoecumenicus.com/ancient_instruments.htm)

[http://library.thinkquest.org/04apr/00275/ancient\\_ins.htm](http://library.thinkquest.org/04apr/00275/ancient_ins.htm)

We also listened to lyrical poetry in Greek!

We learnt ways of cutting and joining wood.

Also finishing techniques using varnish

Acrylic paint was used to delicately decorate our instruments.

We used a range of tools to carefully construct our instrument.

We needed to evaluate our work as it progressed and made changes to our designs where necessary.

Mrs Morgan made examples of instruments for us to look at before we began this unit of work.

These inspired us to make our own designs for the completed instruments. We are all proud of our achievements and think they are great!
