

Dear Assembly

I am writing on the behalf of us, the ladies and the girls. We slave for day in, day out, we never have a break.

To start of, I would like all the young girls to go to school as I never had the opportunity to go school when I was little, I want my girls to have the same education as my boys.

Secondly, I would like to say that we ladies should have to vote like everyday citizens as we are people like they are, so give us the chance.

To finish off, I hope yo consider my letter to the assembly

Yours sincerely

Mrs E Lang
