

PE & Sports Premium Funding 2022/23

PE / Sports in school was greatly affected by Covid 19 and we are aware this could affect schools again this academic year.

Newbold Verdon PE Pledge

- To continue to provide opportunities for PE, healthy lifestyles, healthy wellbeing and competition in school
- To maintain a minimum of 2 hours per week of PE in school
- To maintain our development of school sports within our network of schools
- To increase participation of physical activity during the school day, lunchtimes and extra-curricular clubs
- To provide staff training of sport throughout school
- To celebrate sport in and out of school
- To ensure our pupils are given every opportunity to succeed in sport
- To provide activities or support to encourage the least active children
- To raise attainment in primary school swimming
- To ensure areas for PE are safe

Newbold Verdon Primary School's Sports Premium 2022-23

What is the Sports Premium?

The Department for Education (DfE) has announced some changes to the Primary PE & Sport Premium pages on the [Gov.uk website](https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools) to reflect recent ministerial decisions on the allocation formula for the doubled Primary PE & Sport Premium.

The high level changes are that from September 2017:

**Schools with 16 or fewer eligible pupils receive £1000 per pupil; and
Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil**

This is a straight doubling of the previous formula and will mean that all schools will be able to deliver further improvements to their PE and Sport provision. The mechanism for payment will remain the same, with schools receiving 7/12ths of funding in Oct/Nov and the remaining 5/12ths in April/May. The webpage can be accessed HERE: <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>.

Our PE Funding breakdown is at the end of this document.

Purpose of funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This includes any carried forward funding from the previous academic year.

This means that you must use the PE and sport premium to:

- develop or add to the PE, physical activity and sport that your school provides
- build capacity and capability within the school to ensure that improvements made now are sustainable and will benefit pupils joining the school in future years

You should use the PE and sport premium to secure improvements in the following 5 key indicators.

- Engagement of all pupils in regular physical activity
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and physical activities offered to all pupils
- Increased participation in competitive sport

How will we be spending the Sports Premium and who will benefit?

The Governors agree that the money must be used so that: all children benefit regardless of sporting ability; that the most able children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development. We also agree that all children should be encouraged to develop healthy lifestyles.

Monitoring the impact of the PE Funding

- **How we intend to spend the Sports Premium during 2022-2023 and how we will monitor its success.**

The DfE states that: Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- **Develop or add to the PE, physical activity and sport activities that your school already offers**

We (Newbold Verdon Primary School) will continue to pay into HABSSPAN (Hinckley and Bosworth School Sport and Physical Activity Network) who coordinate participation in lifelong physical activity for all young people. They provide tournaments for us to participate in and progress to higher level tournaments. They also provide schemes in school like 'Sports Leadership,

Change4life clubs, Balance Bike packages, Active Travel initiatives. **During the 2022-23 year we will initially pay £ 1,405 to buy into the HABSSPAN offer.**

We will continue to use sports coaches to add to the free lunchtime and free after-school clubs we offer (we use Metcalf Sports and CoachUnlimited).

- **During the 2022-23 year we will pay Metcalf Sports £ 7,410 to deliver 2 afterschool clubs and 4 lunchtime clubs.**

During the 2022-23 year we will pay CoachUnlimited £7,945 to deliver PE Staff CPD/lunchtime clubs/afterschool clubs/swimming teaching

- **Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. We will continue to use SAQ to benefit EYFS children joining our school (and children from other year groups where appropriate). We aim to train up Sports Leaders and Girls Active Leaders to help sustain active lunchtimes and promote healthy lifestyles.

Schools can use the premium to secure improvements in the following indicators:

- **The engagement of all pupils in regular physical activity**

We will continue to provide regular PE lesson across the school, provide active lunchtimes, before and after school clubs and provide Sports Leaders to oversee these activities and encourage engagement. We will aim to increase our delivery of active lessons. **The budget below will provide more details.**

- **The profile of PE and sport is raised across the school as a tool for whole-school improvement**

A PE Action Plan is part of the whole school development document. We will continue to have extra-curricular clubs, a PE notice board, celebrate PE in assemblies and on social media and raise the profile of being active at lunchtimes and extra times during the school day.

- **Increased confidence, knowledge and skills of all staff in teaching PE and sport**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. Further training opportunities will be explored and shared with staff and resources purchased and shared with staff to support staff.

- **Broader experience of a range of sports and activities offered to all pupils**

We will look into delivering a broader range of sports this year including Skipping, Archery, Orienteering and Balance Bikes.

- **Increased participation in competitive sport**

Competitive tournaments provided in the HABSSPAN offer will continue our participation in competitive sports.

You can use your funding to:

- **Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. Staff are confidently using a scheme of work that compliments the CPD.

- **Hire qualified sports coaches to work with teachers to enhance or extend current opportunities**

- see above

- **Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities**

We will look into delivering a range of sports this year (Skipping, Archery, Orienteering and Balance Bikes).

- **Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs**

We will continue to use HABSSPAN, Sports Coaches, SAQ and other initiatives to provide opportunities for our less active children.

- **Enter or run more sport competitions**

We will continue to use HABSSPAN to take part in competitions and participate in their virtual competitions next year

- **Partner with other schools to run sports activities and clubs**

We will continue our partnership with local school and through HABSSPAN

- **Increase pupils' participation in the School Games**

We will continue our partnership with HABSSPAN to participate and complete the School Games activities.

- **Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school**

We will continue with our Sports Leaders and Girls Active Leaders and continue with Sports Coaches to mentor them.

- **Raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2**

We will continue using a Sports Coach to assist in delivering swimming lessons and to mentor teaching staff.

- **Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching**

We will look to take up any HABSSPAN offers on active travel, we use lunchtime supervisors and Sports Leaders to deliver active playgrounds.

Accountability / Ofsted inspections

- **Ofsted assesses how primary schools use the primary PE and sport premium. They measure its impact on pupil outcomes, and how effectively governors hold school leaders to account for this.**

The PE Coordinator will use the information on the school website and his subject monitoring to be ready for an Ofsted Inspection. The PE Coordinator's Action Plan and its monitoring will be shared with the governors.

Monitoring the sustainability of the PE Funding

- The PE Co-ordinator will use the PE Action Plan and subject monitoring time.
- The CPD package that our staff receive will ensure that all staff are confident to plan and deliver a range of PE units in line with the curriculum expectations.
- We are committed to the long term encouragement of healthy lifestyles. Our school will continue to provide opportunities during break times, lunchtimes, extra-curricular clubs and active lessons.
- Our links with local PE providers and local clubs will provide motivational and inspirational benefits for our children.
- We will continue to be part of HABSSPAN which will ensure sustained PE leadership in school, future CPD opportunities and continue school games competition.
