

PE & Sports Premium Funding 2023/24

Newbold Verdon PE Pledge

- To continue to provide opportunities for PE, healthy lifestyles, healthy wellbeing and competition in school
- To maintain a minimum of 2 hours per week of PE in school
- To maintain our development of school sports within our network of schools
- To increase participation of physical activity during the school day, lunchtimes and extra-curricular clubs
- To provide staff training of sport throughout school
- To celebrate sport in and out of school
- To ensure our pupils are given every opportunity to succeed in sport
- To provide activities or support to encourage the least active children
- To raise attainment in primary school swimming
- To ensure areas for PE are safe

Newbold Verdon Primary School's Sports Premium 2023-24

For the year 2023 to 2024, the amounts payable will be:

Schools with 16 or fewer eligible pupils will receive £1,000 per pupil

Schools with 17 or more eligible pupils will receive £16,000 and an additional payment of £10 per pupil

The **PE and sport premium for primary schools** guidance can be accessed HERE: <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools>.

Our PE Funding breakdown is at the end of this document.

Purpose of funding

Schools must use the PE and sport premium to:

Build capacity and capability in the school and make sure that improvements made to the quality of PE, sport and physical activity provision now are sustainable and will benefit pupils joining the school in future

Develop or add to the PE, sport and physical activity that the school provides.

You should use the PE and sport premium to secure improvements in the following 5 key indicators.

- increasing all staff's confidence, knowledge and skills in teaching PE and sport
- increasing engagement of all pupils in regular physical activity and sport
- raising the profile of PE and sport across the school, to support whole school improvement
- offer a broader and more equal experience of a range of sports and physical activities to all pupils
- increase participation in competitive sport

How will we be spending the Sports Premium and who will benefit?

The Governors agree that the money must be used so that: all children benefit regardless of sporting ability; that the most able children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development. We also agree that all children should be encouraged to develop healthy lifestyles.

Monitoring the impact of the PE Funding

- **How we intend to spend the Sports Premium during 2023-2024 and how we will monitor its success.**

The DfE states that: Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- **Develop or add to the PE, physical activity and sport activities that your school already offers**

We (Newbold Verdon Primary School) will continue to pay into HABSSPAN (Hinckley and Bosworth School Sport and Physical Activity Network) who coordinate participation in lifelong physical activity for all young people. They provide tournaments for us to participate in and progress to higher level tournaments. They also provide schemes in school like 'Sports Leadership, Change4life clubs, Balance Bike packages, Active Travel initiatives. **During the 2023-24 year we will initially pay £ 1695 to buy into the HABSSPAN offer.**

We will continue to use sports coaches to add to the free lunchtime and free after-school clubs we offer (we use Si Sports and Coach Unlimited).

During the 2023-24 year we will pay Si Sports £ 3330 to deliver three afterschool clubs.

During the 2023-24 year we will pay Coach Unlimited £11,869 to deliver PE Staff CPD/lunchtime clubs/afterschool clubs/swimming teaching

- **Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. We will continue to use SAQ to benefit EYFS children joining our school (and children from other year groups where appropriate). We aim to train up Sports Leaders and Girls Active Leaders to help sustain active lunchtimes and promote healthy lifestyles.

Schools can use the premium to secure improvements in the following indicators:

- **The engagement of all pupils in regular physical activity**

We will continue to provide regular PE lesson across the school, provide active lunchtimes, before and after school clubs and provide Sports Leaders to oversee these activities and encourage engagement. We will aim to increase our delivery of active lessons. **The budget below will provide more details.**

- **The profile of PE and sport is raised across the school as a tool for whole-school improvement**

A PE Action Plan is part of the whole school development document. We will continue to have extra-curricular clubs, a PE notice board, celebrate PE in assemblies and on social media and raise the profile of being active at lunchtimes and extra times during the school day.

- **Increased confidence, knowledge and skills of all staff in teaching PE and sport**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. Further training opportunities will be explored and shared with staff and resources purchased and shared with staff to support staff.

- **Broader experience of a range of sports and activities offered to all pupils**

We will look into delivering a broader range of sports this year including Skipping, Archery, Dodgeball, Orienteering and Balance Bikes.

- **Increased participation in competitive sport**

Competitive tournaments provided in the HABSSPAN offer will continue our participation in competitive sports.

You can use your funding to:

- **Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school**

We have been successfully using a CPD programme to upskill our staff so they are more confident in delivering PE in school - this will continue. Staff are confidently using a scheme of work that compliments the CPD.

- **Hire qualified sports coaches to work with teachers to enhance or extend current opportunities**

- see above

- **Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities**

We will look into delivering a range of sports this year (Skipping, Archery, Orienteering and Balance Bikes).

- **Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs**

We will continue to use HABSSPAN, Sports Coaches, SAQ and other initiatives to provide opportunities for our less active children.

- **Enter or run more sport competitions**

We will continue to use HABSSPAN to take part in competitions and participate in their virtual competitions next year

- **Partner with other schools to run sports activities and clubs**

We will continue our partnership with local school and through HABSSPAN

- **Increase pupils' participation in the School Games**

We will continue our partnership with HABSSPAN to participate and complete the School Games activities.

- **Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school**

We will continue with our Sports Leaders and Girls Active Leaders and continue with Sports Coaches to mentor them.

- **Raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2**

We will continue using a Sports Coach to assist in delivering swimming lessons and to mentor teaching staff.

- **Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching**

We will look to take up any HABSSPAN offers on active travel, we use lunchtime supervisors and Sports Leaders to deliver active playgrounds.

Accountability / Ofsted inspections

- **Ofsted assesses how primary schools use the primary PE and sport premium. They measure its impact on pupil outcomes, and how effectively governors hold school leaders to account for this.**

The PE Coordinator will use the information on the school website and his subject monitoring to be ready for an Ofsted Inspection. The PE Coordinator's Action Plan and its monitoring will be shared with the governors.

Monitoring the sustainability of the PE Funding

- The PE Co-ordinator will use the PE Action Plan and subject monitoring time.
- The CPD package that our staff receive will ensure that all staff are confident to plan and deliver a range of PE units in line with the curriculum expectations.
- We are committed to the long term encouragement of healthy lifestyles. Our school will continue to provide opportunities during break times, lunchtimes, extra-curricular clubs and active lessons.
- Our links with local PE providers and local clubs will provide motivational and inspirational benefits for our children.
- We will continue to be part of HABSSPAN which will ensure sustained PE leadership in school, future CPD opportunities and continue school games competition.

PE Funding Analysis 2023-24 (current school year)

This spreadsheet will be updated throughout the year

Red = staff training/CPD

Blue = healthy lifestyle choices /promotion

Green = competitive opportunities

Black = other

PE Funding £18,500 (plus any 'carry over' money from Covid hit years)

Activity / Resource	Cost	Impact/Benefits
Staff PE CPD (4 hours per week)	£ 10,469	Continued professional development for teaching staff supplied by CoachUnlimited. Staff training to develop their delivery of PE lessons.
Lunchtime Clubs / After School Clubs / Gifted & Talented Programme		CoachUnlimited to: Provide free after school clubs and lunchtime clubs to train up Sports Leaders. The clubs will also be used for training children up for local school tournaments. Children from KS2, identified as being talented in PE will take part in a programme built around the 5 elements of a talented performer.
Smart Moves	£1200	Smart Moves is a motor skills development programme aimed at Reception to KS1, to assist in the early identification of children with motor coordination difficulties
After school clubs	£3330	Si Sports to: Deliver a range of after school clubs for the year. Our school teams will be chosen and coached from these clubs.
HABSSPAN Primary Schools PE Offer	£1695	To support schools to make additional and sustainable improvements to the provision of PE and school sport. Encouraging the development of healthy, active lifestyles for the benefit of all pupils and to access School Games level 2 competitions.
Swimming	TBC	Due to Covid, our provision of swimming has been affected so we are planning to use any carry over money from last academic year to fund swimming.
Travel costs for sports festivals and tournaments	£105	Travel costs
SAQ Equipment	£490	Speed, agility, and quickness (SAQ) is associated with sports, strength and conditioning, and other physically demanding activities. It is offered to children we have identified.

See the previous pages above for how we will monitor our successes and sustainable use of funding.
