Y6 Curriculum Newsletter – Summer Term

Dear Parents/Carers,

I hope you have all enjoyed the Easter break. The beginning of the term sees our continued preparations for the SATS alongside our wider curriculum work. **SATS Week is from Monday 13th May - Thursday 16th May.** Please ensure that your child is in school everyday, as every moment is crucial for SATS preparation. Please support your children in preparing for the SATS and helping them to have a positive mindset. If you have any questions or concerns, please contact the office to make an appointment so we can have a chat.

I hope that the children can have a fantastic final summer term as Newbold Verdon students. Along with this letter, the children will be bringing home knowledge organisers for the topics covered this term. There will be a short quiz at the end of the topics which will be based on these.

English Texts:	Maths	Science	Art	Geography
Explanation text: Electricity	Daily Arithmetic Revision of the key areas of maths: Place value	Light	Sculpture and 3d: making memories	Study of a European Region- Greece

Computing Programming- Variables in games Creating media- 3D modelling	RE What do religions tell us when life gets hard? For Christians, what kind of King is Jesus?	PSHE Growing and Changing (RSE) Rights and Responsibilities Keeping myself safe	Music Pitch 20th Century Music

PE

Our PE lesson will continue to be on Thursday afternoons this term with the sports coach. Please ensure that your child always has their PE kit in school.

This includes: a **white PE top** and **black or navy shorts or jogging bottoms**. Your child needs to have a **change of shoes** in their PE kit for PE lessons. To help us with lost property, please **ensure all items are named**. Hair must be tied up.

In the summer term as the weather improves, please ensure your child has a **sunhat** in their PE kit.

Homework

Please continue to encourage your children to read daily and complete their reading journals. If children read five times in a week, they will be entered into the reading raffle and be awarded with their Class Dojo points. Children will receive prizes once they have reached 25 points!

Children will continue to be given arithmetic practice as well as grammar and reading revision each week for practice.

If there is anything you are not sure of please do not hesitate to contact me.

Yours sincerely,
 Miss Davison
