Mission Statement

We are a registered charity run solely by volunteers, with the aim of raising money for the benefit of the children of Newbold Verdon Primary School.

We work alongside the school to run activities and events such as discos, cake sales and hosting 'shops' at special occasions. The money we raise helps to pay for equipment, special events and contributions towards trips.

How the funds raised are used.

- £750 has been used to purchase sand for the new sandpit.
- Personalised PE bags have been given to all in Foundation Stage.
- £10 per child has been allocated to go towards this years school trips.
